## JAPANESE HEAD SPA

A JAPANESE HEAD SPA IS A COMPREHENSIVE, THERAPEUTIC WELLNESS RITUAL ORIGINATING IN JAPAN THAT COMBINES DEEP SCALP CLEANSING WITH TRADITIONAL MASSAGE TECHNIQUES. OFTEN DESCRIBED AS A "FACIAL FOR THE SCALP," IT ADDRESSES BOTH PHYSIOLOGICAL HAIR HEALTH AND MENTAL RELAXATION.

**DEEP CLEANSING & EXFOLIATION:**  
USING SPECIALIZED CLARIFYING SHAMPOOS AND SCRUBS, THE SPECIALIST REMOVES IMPURITIES, DEAD SKIN, AND PRODUCT RESIDUE THAT STANDARD WASHING MISSES.

**STEAM THERAPY:**  
WARM STEAM IS APPLIED TO OPEN THE PORES AND HAIR CUTICLES, ALLOWING FOR BETTER ABSORPTION OF NOURISHING TREATMENTS AND FURTHER SOFTENING OF BUILDUP.

**SPECIALIZED MASSAGE:**  
UTILIZING SHIATSU (PRESSURE-POINT) AND LYMPHATIC DRAINAGE TECHNIQUES, THE THERAPIST MASSAGES THE SCALP, NECK, AND SHOULDERS TO BOOST CIRCULATION AND RELEASE TENSION.

**WATER HALO (WATERFALL):**  
A SIGNATURE FEATURE IN MODERN SPAS WHERE A STEADY, CIRCULAR STREAM OF WARM WATER CASCADES OVER THE SCALP TO INDUCE DEEP RELAXATION AND PROVIDE A THOROUGH RINSE.

**NOURISHING MASKS:**  
CUSTOMIZED SERUMS OR HAIR MASKS ARE APPLIED BASED ON THE INITIAL SCALP ANALYSIS TO HYDRATE AND RESTORE VITALITY.
